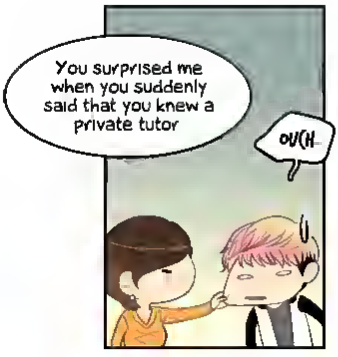
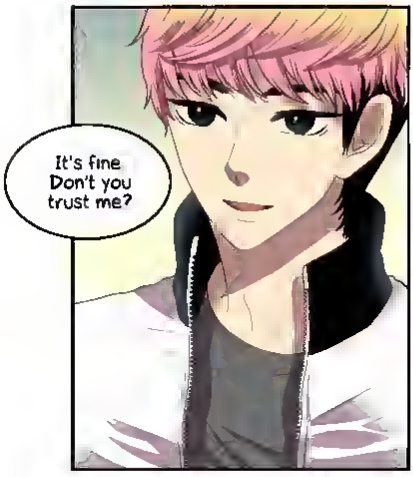
Nam Yeon is in a special situation, so I wanted a good private tutor for him.
If it's her, then I'll have no need to worry
That's good



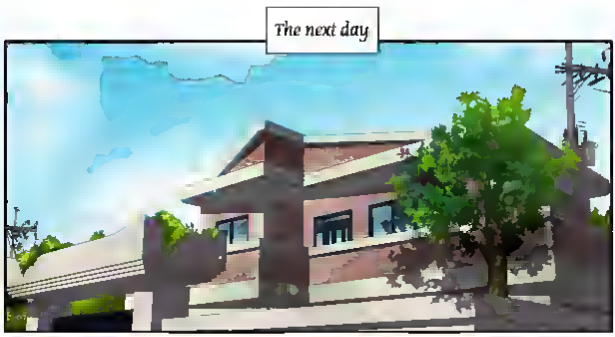
You surprised me when you suddenly said that you knew a private tutor
OUCH

You say that it's okay, but I still think that student is...
Noona

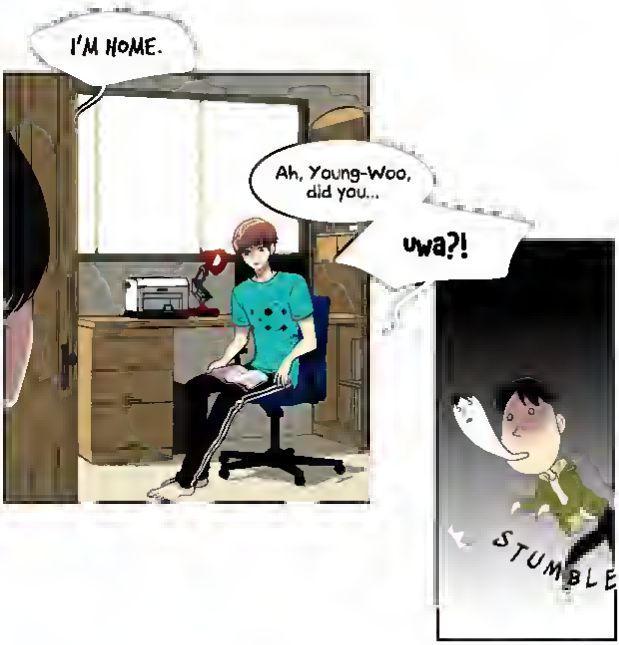


It's fine. Don't you trust me?

When did you grow up so much~ My baby~
Ugh- I don't want to be treated as a kid!



The next day



I'M HOME.
Ah, Young-Woo, did you...

STUMBLE

Weren't you supposed to get out of work yesterday?

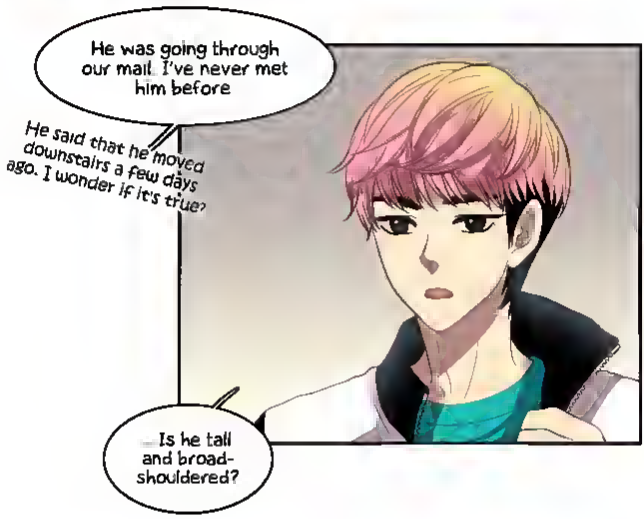
My life is hard~
Startled

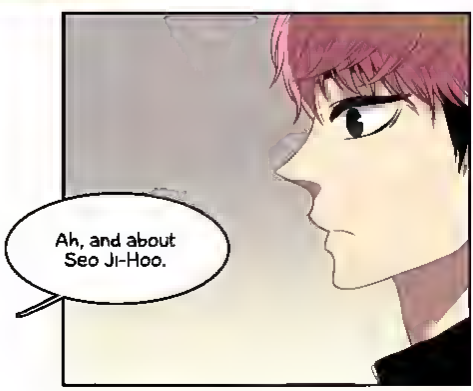
Huh?

Who was that weird guy?
What?



He was going through our mail. I've never met him before
He said that he moved downstairs a few days ago. I wonder if it's true?
Is he tall and broad-shouldered?

Huh? How did you know? Does he do this often?
....
sigh



Ah, and about Seo Ji-Hoo.

It looks like he started working at a different company. Do you want me to find out which?

No.

Shouldn't we look into this more?
Later. I will take care of it.

I'm going out. Eat dinner by yourself.
Are you going to that girl student again?
Do you walk her home every day?
It's good for exercise.

Is he your boyfriend?
Nooo. HE'S MUCH OLDER THAN ME, AND WE'RE NOT LIKE THAT.
They say that when you strongly deny something, it must be true. Have a nice time.

Because of him, the rumours about Hyunwoo and me are disappearing
Ah. I have to stop by tutor's office

Sorry, but

Why isn't she here? She must have finished by now.
It is too much if I go inside to look for her?

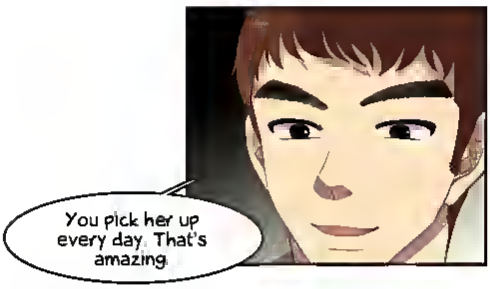
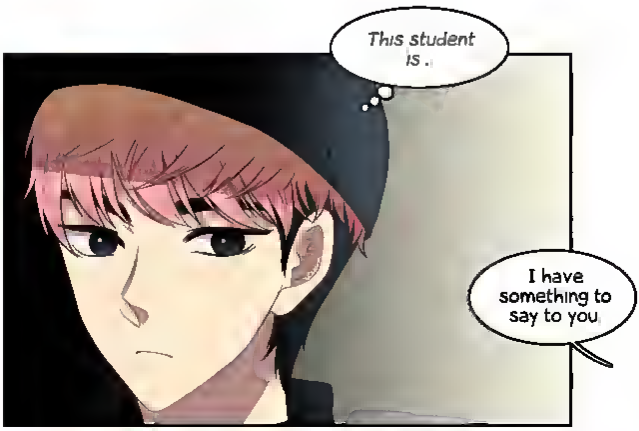
That senior...



You pick her up every day. That's amazing.

There is going to be a rumour about it, and the guys who like Yurim won't approach her.
Now that I think about it, I'm blocking the future of a twenty year-old girl



This student is .
I have something to say to you.

He must know that it's impossible for him. Why is he obsessing over Yurim?

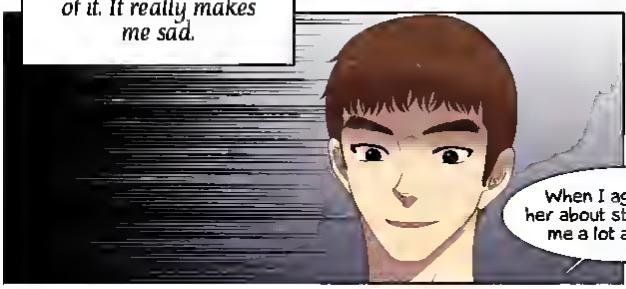
She likes when people talk about Jooeun

Jooeun is not his usual self, so please help him.

He is...ah...not acting as he normally does. Yes. I'm helping him.

Yeah. He still has problems with his legs. He can't work because of it. It really makes me sad.



When I agreed with her about stuff, she told me a lot about you
